

The **ESSINGTON SCHOOL DARWIN**

Creating the Difference

28th June, 2017

Dear Parents,

**RE: STUDENT SCHOOL ACCIDENT INSURANCE COVER
FOR STUDENTS OF THE ESSINGTON SCHOOL DARWIN**

We reviewed our insurance cover for all insurance held by the school and were able to make some savings with our broker. As a result of this we are pleased to be able to provide a new Student Accident Insurance Cover for Personal Accident for students enrolled at the school at no cost. The policy is a broad one with benefit limits provided in response to a number of insurable events.

This insurance covers our students engaging in Essington School “Education Activities or Organised Sporting Activities”. Your child is covered by this policy. Full details of the policy and the benefits and limits can be found on our School website in Our Parents section under the section “Student Accident Insurance Cover”. Please note it is important that any injury is notified to the School in a timely way using the School Accident Insurance Cover Form on the website.

After reading the insurance policy information on the School website, please direct any questions you might have to the Chief Financial Officer, Paul McCabe, on email:

Yours sincerely,
