Information for Parents and Students

Parents of bus travellers need to be aware of the following:

1. Please ensure that your child is at the designated stop five minutes before the stated arrival time of the bus, and is aware of the conduct expected on and around the bus. The bus will leave at the designated time.
2. If you are waiting for the bus, please wait on the same side of the road as the bus stop, to eliminate the risk of children running across the road in front of traffic.
3. You should be aware that permission for such travel is a privilege, not a right. Permission may be withdrawn if the student's behaviour is unsatisfactory.
4. Any changes to the bus route need to be in writing via email to: school.bus@essington.nt.edu.au
5. Bus routes are subject to change. Advice of these changes will be notified as soon as possible.

Note: Bus drivers do not have the authority to approve temporary travel or change of stop arrangements.

Student Code of Conduct: Behaviour on a School Bus

Students will:

- Behave in an orderly manner whilst waiting at the bus stop.
- Obey the driver's instructions.
- Remain seated for the whole journey.
- Keep the noise to a talking level.
- Upon disembarkation, wait on the same side of the road until the bus has moved away from the bus stop and if necessary cross the road only when there is a clear view of the traffic in both directions.
- Respect the bus owner's property by not doing anything to damage or mark the bus.

Students will not:

- Behave in any way to distract the driver from the road.
- Eat or drink on the bus.
- Fight on the bus or at any bus stop.
- Harass any other person on the bus.
- Use foul or abusive language.
- Allow any part of their body to protrude from the bus.
- Behave in any way contrary to school rules for litter, smoking, etc.
- Play on the roadway at the bus stop.
- Get on or off the bus before it is completely stopped.
- Throw litter, or any other object, in or from the bus.
- Enter the bus area before or after school when buses are likely to be coming in or leaving.

In addition - please note the following:

- The driver has the authority to designate specific seats to students, and to move students to another seat if considered necessary.
- Only one warning or instruction from the driver is necessary.
- Students, who are reported for misbehaviour, will be warned and initially dealt with according to our schools Behaviour and Discipline Policy and/or suspended from the bus if necessary.
- Subsequent reports for misbehaviour may lead to suspension for increasing lengths of time and possible cancellation of travel rights.
