

# SCHOOL BUS TRAVELLING ALERT

## The Essington International School Darwin School bus route changes Monday 23 July 2018

Students, parents and carers are advised that the Department of Infrastructure, Planning and Logistics is planning to implement a number of small changes to The Essington International School Darwin bus services as of **Monday 23 July 2018**.

The changes include renaming routes and changing routes of travel.

Route names are changing to route numbers as is the case for all other school services. Please see changes below:

-  **City Flyer** → route **130**
-  **Northern Suburbs** → route **131**
-  **Palmerston** → route **132**

Routes **131** and **132** will change slightly to better distribute students between the two buses. **If students live in Anula, Moil and Jingili they may need to now catch route 132 to and from home.**

The route **130** timetable and route of travel remain unchanged.

For the Essington school bus timetables and maps, please visit:  
[http://www.essington.nt.edu.au/our\\_parents/bus-travel](http://www.essington.nt.edu.au/our_parents/bus-travel)

Timing points on these timetables are estimates only and are subject to traffic and weather conditions. Please ensure your child arrives at the designated bus stop five minutes early.

Please ensure your child understands the Code of Conduct for School Bus Travel and is competent to travel on the bus independently.

For more information about school bus rules and safety including the Code of Conduct and standing on buses policy, please visit: [www.nt.gov.au/driving/public-transport-cycling](http://www.nt.gov.au/driving/public-transport-cycling)

If you have any queries around these changes, please contact Public Transport on 8924 7297 or email: [public.transport@nt.gov.au](mailto:public.transport@nt.gov.au)
